(a) and (b) Under the exisiting policy on compassionate appointment, such appointments are to be made in direct recruitment vacancies in Group 'C and 'D' posts, (excluding technical posts) limited to a ceiling of 5% of such vacancies that have arisen in the year.

(c) Based on a demand raised by the Staff side in the National Council (JCM) to review the 5% quota applicable for compassionate appointment, the policy on compassionate appointment was carefully reviewed taking into account the reduction in number of vacancies for compassionate appointment due to operation of the orders on optimization of direct recruitment vacancies, and a decision has been taken that 5% ceiling may be calculated on that basis of total direct recruitment vacancies for Group-'C and 'D' posts (excluding technical posts) that have arisen in the year, prior to optimization of direct recruitment vacancies.
